

Mr. Donald.

22-05-2012

Donald,

Our company prepared and sent to Wadsworth Ltd on 16-03-2012 a "Proposal to Supply Citrus to Wadsworth Ltd for the ~~2012~~ 2012 season". As of now we still have ~~not~~ not had a response to organise a meeting to discuss our proposal.

Fresha Produce Pty Ltd has for over 16 years worked with the Wadsworths to supply exotic fruits and citrus and have formed a very strong trading partnership.

Our growers in the <sup>Growing</sup> ~~Business~~ Areas are now pressuring us to give them an idea of when they can start supplying fruit in volume.

We ~~hope~~ have always supplied quality produce to your company and hope this will continue.

Yours Faithfully,

JOHN SCHMITZER. (DIRECTOR). 0418 400 488.
